

Overflow Parking at Nearby Lynbrook Elementary School

The parking lot at St. Mark's has limited spaces. If you should find yourself running late, you may park at Lynbrook ES immediately opposite St. Mark's on the east side of Backlick Rd.

You may access this on the northbound lane of Backlick Rd. If you are approaching St. Mark's on Backlick Rd in a southern direction, just make a U-turn at the traffic light of Backlick Rd. and Highland St. immediately south of St. Mark's to access the Lynbrook ES parking lot. It will take you about a five minute walk to get from there to St. Mark's using the Highland St. crossing.

We thank the Franconia Police Department for providing police officers to control traffic and assist pedestrians crossing Backlick Rd. to and from the church between 5:30 to 7:00 PM and from 8:30 to 10:00 PM on the evenings of our performances.
